the law commission of england and wales and the scottish law commission were both established in 1965 to promote the reform of the laws of their respective jurisdictions since then they have each produced hundreds of reports across many areas of law they are independent of government yet rely on governmental funding and governmental approval of their proposed projects they also rely on both government and parliament and occasionally the courts or other bodies to implement their proposals this book examines the tension between independence and implementation and recommends how a balance can best be struck it proposes how the commissions should choose their projects given that their duties outweigh their resources and how we should assess the success or otherwise of their output countries around the world have created law reform bodies in the commissions image they may wish to reflect on the gb commissions responses to the changes and challenges they have faced to reappraise their own law reform machinery equally the gb commissions may seek inspiration from other commissions experiences the world the gb commissions inhabit now is very different from when they were established they have evolved to remain relevant in the face of devolution the uk s changing relationship with the european union increasing pressure for accountability and decreasing funding further changes to secure the future of independent law reform are advanced in this book

in 1946 the united nations commission on human rights became the first international body empowered to promote global human rights during its first twenty years the commission established most of the contemporary standards of human rights increased social awareness in the 1960s enabled the commission to respond to specific complaints from individuals and nongovernmental organizations and to pressure offending governments by using various measures that ranged from exhortation and mediation to sanctions designed to isolate violators these enforcement activities have increased the commission s visibility and have dramatically transformed its operation dr toley s thematic history of the commission offers important insights into states political conduct

in international human rights organizations the evolving legal and institutional means of preventing human rights violations and the difficulties encountered when an intergovernmental body is pressed to provide impartial protection to citizens against abuse by their own government

in this book john p pace provides the most complete account to date of the united nations human rights programme both in substance and in chronological breadth pace worked at the heart of this programme for over thirty years including as the secretary of the commission on human rights and coordinator of the world conference on human rights which took place in vienna in 1993 he traces the issues taken up by the commission after its launch in 1946 and the methods undertaken to enhance absorption and domestication of international human rights standards he lays out the special procedures carried out by the un and the emergence of international human rights law the book then turns to the establishment of the office of the high commissioner for human rights and the mainstreaming of human rights across the united nations system eventually leading to the establishment of the human rights council to replace the commission in 2006 many of the problems we face today including conflict poverty and environmental issues have their roots in human rights problems this book identifies what has been done at the international level in the past and points towards what still needs to be done for the future
