a faithful reproduction of the factory workshop manual originally published by floyd clymer in 1967 this fully illustrated manual covers the 160cc 250cc and 350cc narrow case single cylinder ohc series of ducati motorcycles including the 160 monza junior 250 monza 250gt 250 mark 3 250 mach1 250 motocross and the 350 sebring as expected from a factory publication this manual includes complete technical data and comprehensive detailed instructions for the repair and overhaul of all major and minor mechanical and electrical components making it an invaluable resource for collectors and restorers of these classic ducati motorcycles it contains a comprehensive technical specification section for every variant by year for each model followed by a descriptive section of all major components includes detailed repair and rebuild data for the engine clutch transmission ducati and marzocchi forks rear suspension wheels brakes and more it also includes comprehensive information on the electrical and ignition equipment plus wiring diagrams there is adequate detailed text and illustrations to assist in major refurbishing such as an engine rebuild or even a complete mechanical renovation an essential addition to any ducati motor cycle enthusiast s library this book has been out of print and unavailable for many years and is becoming increasingly more difficult to find on the secondary market this is a must have reference for this series of ducati motorcycles and we are pleased to be able to offer this reproduction as a service to all ducati enthusiasts worldwide

126 pages and profusely illustrated with more than 260 illustrations diagrams and charts size 8 250 x 10 750 inches originally published by floyd clymer in 1969 with coverage for the 1969 and earlier 4 speed and 5 speed 250cc and 360cc models while this 2025 edition includes all of the data from the original publication it has also been expanded to include data for the 125cc and 380cc engines which extends the coverage through 1974 cz motorcycles of this era were identified by a three digit type number occasionally followed by a numerical suffix for example type 984 9 the suffix number identifies model variations and or year of manufacture within each type group unfortunately the use of the type number is extremely model specific and in order to eliminate any confusion the data included in this manual is appropriate for the single exhaust pipe 4 speed and 5 speed cz motocross enduro and ruff country models however for the sake of completeness the manual states that coverage includes the following model types type 984 125cc motocross type 968 250cc motocross single pipe type 980 250cc motocross type 988 250cc enduro type 969 360cc motocross single pipe type 981 380cc motocross from 1964 to 1966 the type 968 and type 969 were available with twin pipe engines they are not covered in this manual however as many of the other mechanical components are shared with the single pipe machines this manual will also be of use to owners of those twin pipe models we encourage you to exercise caution when purchasing technical publications for your classic motorcycle or automobile as many of the reprints found on internet websites

are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling many are nothing more than poor quality digital comb bound or ring bound photocopies that are scanned or printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished in addition they are often advertised for the incorrect series and or model years however velocepress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product

models covered all 246 cc twin cylinder models first introduced into the uk during july 1974
