only their bodies but their spirits should we do any less the seventh day adventist church has a unique opportunity to serve the hurting in their community through a home based care ministry with our mission to love serve and teach and with the numerous church resources already available we can do what many others cannot be the safe haven of health and healing that god intends his church to be while this book focuses on ministry to individuals and their families dealing with hiv and aids the principles found here can be applied to anyone with a terminal illness who finds himself herself on the other side of accepted society it shows us that instead of being critical we should accept where people and their choices have led them doing our best to minister with the love and care of jesus
